

The Sharks Alumni Foundation values your trust. That's why we take your privacy and security seriously.

What information do we collect?

We collect information from you when you register on our site as a donor, member or grantee, or if you subscribe to our newsletter.

The Sharks Alumni Foundation may request your name, e-mail address, mailing address, phone number, or credit card information. Additionally, Grant Applicants will be asked for both parent and child names, address, email, phone, child's birthdate and hardship information.

Like most other websites, we monitor visitor traffic patterns and site usage to help us further develop and improve the content and design of our site through cookies. We do not link your IP address to anything personally identifiable about you.

We may receive information about you when you interact with our sites through various social media, for example, by logging in through or liking us on Facebook or following us on Twitter or Instagram. The data we receive is dependent upon your privacy settings with the social network. You should always review, and if necessary, adjust your privacy settings on third-party websites.

Any of the information we collect from you may be used in one of the following ways:

- To improve our website (we continually strive to improve our website offerings based on the information and feedback we receive from you)
- To determine eligibility for Grant Applicants.
- To process transactions.
- To send periodic emails
- To build a database of persons or organizations who wish to support the Sharks Alumni Foundation's mission.

The email address you provide may be used to send you information and updates pertaining to your order, in addition to receiving occasional company news, updates, related product or service information, etc. If at any time you would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email.

Children under 13 privacy

The Sharks Alumni Foundation does not knowingly collect or solicit any information from anyone under the age of 13 or knowingly allow such persons to register as members. All grant applicants are required to provide parental consent before being submitted. In the event that we learn that we have collected personal information from a child under age 13, we will delete that information as quickly as possible. If you believe that we might have any information from a child under 13, please contact us at info@sharksalumnifoundation.org

How do we protect your information?

Any personal information obtained by Sharks Alumni Foundation online or offline is for the sole use of the Sharks Alumni Foundation, and will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the product or service

requested.

Sharks Alumni Foundation takes every precaution to protect our supporter's information. Your information is protected both online and offline. We work hard to make sure your contribution is safe and secure by using the leading technologies and practices to protect your personal information.

- We use a Secure Sockets Layer (SSL), the industry-standard for sending encrypted information.
- We encrypt all of your personal information and route it through our firewall.
- We partner with a third-party credit card processing company, as do many e-philanthropy websites. This partner securely manages all customer data in accordance with consumer data protection laws enacted worldwide, including data handling, storage, and security.
- We do not store your financial information (credit cards, social security numbers, financials, etc.) on our servers after a transaction goes through on our site.

Your Consent

By using our site, you consent to our website privacy policy.

Changes to our Privacy Policy

If we decide to change our privacy policy, we will post those changes on this page, and/or update the Privacy Policy modification date below.

This policy was last modified on October 31, 2017
